---

January 2024

Hello Royal Families!

January 22<sup>nd</sup> -January 26<sup>th</sup> marks the end of semester one for final assessments, demonstration of student learning (products, conversations, observations), incomplete work, or interventions. Some students may require staff-led interventions to ensure they have completed all work and learned the essential skills and knowledge for a particular course. **Students are aware of when they are expected to attend school for their final assessment, demonstration of learning, work completion, or intervention. If you are unsure, please contact the subject teacher directly.**

A copy of the Final Assessment and Demonstration of Learning Week schedule can be found on our website under the “Documents” section and on RHS social media platforms.

For the entirety of the week, please keep the following in mind:

- Cafeteria services are not available for the week.
- If there is a snow day during final assessment week, a revised schedule will be communicated that same day via talk mail, classroom teachers, and RHS social media platforms.
- If you have a student who is too ill to attend, please notify the subject teacher for that class as soon as possible so that alternative arrangements may be made.
- The morning final assessment blocks are two hours from 9 am-11 am. At the teachers discretion, some students may quietly leave after the first hour if their assessment is complete.
- The busses will run on schedule as they normally do for the morning and end of day runs. Alternative transportation arrangements may need to be made if a student is not required to remain at school for the full day.
- Anytime a student is in the building, but not in a final assessment or intervention block, they may quietly work in the school cafeteria, library, at the tables in the mall, or in a supervised classroom. They cannot be in the main classroom hallways.

PowerSchool was disabled by the district on January 15<sup>th</sup>, and will re-open on January 31<sup>st</sup>, as teachers prepare for the end of semester reporting period. If you have any specific questions about marks, missed assignments, interventions, or assessments, please reach out to the subject teacher.

Please note that January 29<sup>th</sup> and 30<sup>th</sup> are high school turnaround days, therefore students resume second semester classes on Wednesday, January 31<sup>st</sup>, 2024.

As always, if you have any questions, please reach out at any time.

Thank you and take care,

Your RHS Staff Family
